1. Lj here to discuss refs and field layout for Fall 2014 season.
2. Jeremy motioned approve Aug 11 2014 minutes, erin 2nd, unanimously approved by the board
3. Open Complex discussion, Jeremy made a schedule.
4. Player exception discussion. Draft a refund policy for next meeting. Offer suggestion to Mrs. Moreno that her older child attend her Monday practice for Jeremy Swanson's Strikers at Logan Fenker fields off Cleveland Rd but skip the Strikers Thursday practice that was permitted by Jeremy Swanson, so the younger sister can practice at Brady Brown Soccer Fields with Coach Schumm on Thursdays. This should resolve the scheduling/practice conflict without moving kids around to other teams after uniforms have been ordered and schedules made. Also add for next meeting agenda to set in our Bylaws a team building rule for "when a child goes to which team if the teams are even at number of players".
5. Fall registration reconciliation discussion. Kent motioned that all kids get the included balls from Xara but any child that doesn't have the registration fees received in GotSoccer in full doesn't receive the uniform until paid, Jeremy 2nd, unanimously approved by the board.
6. Uniforms discussion. Coaches can order matching uniforms through GSA on Wednesday 8/27 or online from Xara/game on.
7. Table StrikeZone for next meeting.
8. Kent motioned that we allow 16 year old players play in the Adult Coed league with a waiver signed by the parent of the 16 & 17 year old players, Erin 2nd, unanimously approved by the board.
